- \* On this page you will find instructions for the preparation of your abstract.
- \*For **oral presentations**, CV and abstract should be contained in **two sheets** of **A4 format**.
- \***Poster presentation** abstract should be formatted in **a single A4 sheet**.
- \* Please leave margins of 25 mm at top, bottom, left, and right.
- \* Please use 12 pt Times Roman (or similar) font except for the title and line spacing 1.0.
- \* The title of your contribution should be written in **Bold 14 pt font**. In titles, you should capitalize the main words, which are nouns, pronouns, verbs, adjectives, adverbs, and subordinate conjunctions, regardless of the number of letters. Do not capitalize coordinating conjunctions, (and, but, or, nor, yet, so), articles (a, an, the), or prepositions, unless they appear as the first word in the title.
- \* The name of the presenting author should be underlined if you have co-authors. Please write the author's full mailing address and the presenting author's e-mail address *in italics*. If there is more than one affiliation, indicate them by superscript numbers for each author as shown above.
- \* Please leave an extra blank line between the address and the text.
- \* Since the abstracts may not be printed in full-color, please check by yourself if the contrast of the figures and photographs is sharp enough in black-and-white.
- \* Please give references in the way shown below.
- \* Please submit the Adobe Acrobat PDF file of your abstract at
