- * On this page you will find instructions for the preparation of your abstract, which should be contained on a **single sheet** of **A4 format**.
- * Please leave margins of 25 mm at top, bottom, left, and right.
- * Please use 12 pt Times Roman (or similar) font except for the title and line spacing 1.0.
- * The title of your contribution should be written in **Bold 14 pt font**. In titles, authors should capitalize the main words, which are nouns, pronouns, verbs, adjectives, adverbs, and subordinate conjunctions, regardless of the number of letters. Do not capitalize coordinating conjunctions, (and, but, or, nor, yet, so), articles (a, an, the), or prepositions, unless they appear as the first word in the title.
- * The name of the presenting author should be underlined. Please write the author's full mail address and the presenting author's e-mail address *in italics*. If there are more than one affiliations, indicate them by superscript numbers for each author as shown above.
- * Please leave an extra blank line between the address and the text.
- * Since the abstracts will be printed in black-and-white, please does not use color figures and photos which will make the contrast of the print unclear. Please check by yourself if the contrast is clear enough when printed in black-and-white.
- * Please give references in the way shown below.
- * Please submit the Adobe Acrobat PDF file of your abstract at <http://www.gcoebec-osaka-u.jp/jpn/events/index.php>
- * The deadline for submission of abstracts is **December 14, 2007**.
